Guest Speaker
Brian Thomas

Brian Thomas received his bachelor's degree in biology in 1993 and a master's in biotechnology in 1999 from

Stephen F. Austin State University, Nacogdoches, Texas. He taught junior high and high school at Christian schools in Texas, as well as biology, chemistry, and anatomy as an adjunct and assistant professor at Dallas-area universities.

Since 2008 Mr. Thomas has been a science writer and editor at ICR, where he contributes news and magazine articles, speaks on creation issues, and researches original tissue fossils. He is the author of *Dinosaurs and the Bible* and a contributor to *Guide to Creation Basics*, *Creation Basics & Beyond*, *Guide to Dinosaurs*, *Guide to the Human Body*, and *Guide to the Universe*.
